THE WEST FRESNO ELEMENTARY SCHOOL DISTRICT**

Resolution # 201011-12

The West Fresno Elementary School District is currently administered by a State Administrator. The governing board of the school district currently serves in an advisory capacity. The Advisory Board of Trustees of the West Fresno Elementary School District ("Advisory Board") consists of the following members: Mel Sanders, Darrell Carter, Barbara Hunt, and Alice Grant.

The State Administrator reviewed the foregoing JOINT RESOLUTION IN SUPPORT OF THE WEST FRESNO ELEMENTARY SCHOOL DISTRICT'S REQUEST, TO THE CALIFORNIA STATE BOARD OF EDUCATION, TO WAIVE PARTS OF THE CALIFORNIA EDUCATION CODE TO ALLOW LAPSATION OF THE WEST FRESNO ELEMENTARY SCHOOL DISTRICT, AND ANNEXATION OF ITS TERRITORY INTO THE WASHINGTON UNIFIED SCHOOL DISTRICT AND JOINT RESOLUTION IN SUPPORT OF LAPSATION OF THE WEST FRESNO ELEMENTARY SCHOOL DISTRICT, AND ANNEXATION OF ITS TERRITORY INTO THE WASHINGTON UNIFIED SCHOOL DISTRICT with the Advisory Board at a regular meeting held by the Board on March 8, 2011.

The State Administrator hereby represents and warrants that he possesses the power and authority to adopt this resolution on behalf of the West Fresno Elementary School District.

The foregoing JOINT RESOLUTION was adopted by the State Administrator acting for the West Fresno Elementary School District of Fresno County, California, at a regular meeting held by the Board on 3/8, 2011.

Explanation of Bonded Indebtedness

The West Fresno Elementary School District is seeking a waiver from the State to allow the District to lapse into Washington Unified School District. Notwithstanding the desire to become part of the Washington Unified School District, the current West Fresno community wants to make sure the proceeds of the bond will be spent on improvements to the elementary and middle school facilities within the territory of the current West Fresno Elementary School District. The joint resolution in support of the waiver is intended to formally memorialize this intent.

In 1997, the voters of the West Fresno Elementary School District passed a bond to finance additions to and modernization of the elementary and middle school facilities of the District. The District still has approximately \$2,500,000 in bond proceeds that have not yet been spent.

Once the State grants the waiver, the Fresno County Committee on School Organization will have a hearing to lapse the West Fresno Elementary School District. As part of that hearing, the County Committee will allocate the bond proceeds. Although the Fresno County Committee on School Organization will make the initial allocation, it will not have authority over the expenditure of the funds. Instead, the Washington Unified School District will have the authority over the expenditure of the unspent bond proceeds.

The joint resolution expresses the intent of both the West Fresno Elementary School District and the Washington Unified School District. The Washington Unified School District's authority over expenditure of the bond proceeds will be limited to spending the money on the improvement of the elementary and middle school facilities within the territory of the current West Fresno Elementary School District. As a corollary to getting to keep the money within the current West Fresno Elementary School District boundaries, the taxpayers within the current West Fresno Elementary School District will also retain responsibility for the property taxes necessary to repay the bonded indebtedness.

7. Have no change in the schools both elementary and secondary students currently attend;

WHEREAS, the West Fresno ESD currently has approximately \$4,865,000 in outstanding bonded indebtedness as a result of the District's voters having approved a bond measure in 1997 to finance additions to and modernization of the elementary and middle school facilities of the District;

WHEREAS, the property tax rate currently levied for the support of the West Fresno ESD's bonded indebtedness is approximately \$92 per \$100,000 of assessed valuation of the properties within the West Fresno ESD;

WHEREAS, the West Fresno ESD, together with all of the undersigned, desire that the remaining bond proceeds of the West Fresno ESD be allocated, after lapsation of the District, only to the improvement of the elementary and middle school facilities within the territory of the West Fresno ESD, and, further, that responsibility for the repayment of the bonded indebtedness of the West Fresno ESD, after lapsation, be divided in such a way that only the territory of the West Fresno ESD be responsible for the property taxes necessary to repay such bonded indebtedness;

WHEREAS, the Washington Unified School District will have the authority over the expenditure of the unspent bond proceeds for the improvement of the elementary and middle school facilities within the territory of the West Fresno ESD, after lapsation, as described above.

NOW, THEREFORE, BE IT RESOLVED, that the undersigned support the West Fresno ESD's request, to the California State Board of Education, to waive parts of the California Education Code to allow lapsation of the West Fresno ESD, and annexation of its territory into the Unified School District effective the date of the order of the Fresno County Committee on School Organization pursuant to Education Code sections 35782 through 35786 and allow the Fresno County Committee on School Organization to allocate the unspent bond proceeds of the West Fresno ESD, after lapsation, only to improvement of the elementary and middle school facilities within the territory of the West Fresno ESD, and to divide, after lapsation, the bonded indebtedness of the West Fresno ESD in such a manner that only the territory of the West Fresno ESD shall be responsible for repayment of such bonded indebtedness.

BE IT FURTHER RESOLVED that the Washington Unified School District will have the authority over the expenditure of the unspent bond proceeds for the improvement of the elementary and middle school facilities within the territory of the West Fresno ESD.

BE IT FURTHER RESOLVED that the undersigned support the lapsation of the West Fresno ESD, and annexation of its territory into the Washington Unified School District.

BE IT FURTHER RESOLVED that the undersigned agree that the lapsation of the West Fresno ESD, and annexation of its territory into the Washington Unified School District is in the best interest of all affected Districts.

BE IT FURTHER RESOLVED that the support of the undersigned for the lapsation of the West Fresno ESD and annexation of its territory into the Washington Unified School District is expressly subject to fulfillment of the conditions that the unspent bond proceeds of the West Fresno ESD, after lapsation, are allocated only to improvement of the elementary and middle school facilities within the territory of the West Fresno ESD, and the bonded indebtedness of the West Fresno ESD, after lapsation, is divided in such a manner that only the territory of the West Fresno ESD shall be responsible for repayment of such bonded indebtedness.
